

Arkansas Rice Research Verification Program Weekly Update

May 3, 2024 – Update No. 4

Division of Agriculture, University of Arkansas System, Cooperative Extension Service

By: Ralph Mazzanti, Verification Coordinator – Rice

General Information

The five fields emerged to the 2-leaf stage include: Cross, Jefferson, Lonoke, White and Woodruff Counties. The Mississippi County field has not emerged and the Drew County field has been drill-seeded. No herbicides have been applied to the Drew County field due to rain. The Chicot and Poinsett County fields have not dried out enough for planting. More rain is in the forecast. Refer to the table below for field-specific information:
