

RAINBOW ROCKS FOR KIDS

FUN FOR
ALL!

Supplies

- Rocks (preferably small and smooth)
- Paint
- Resealable bags
- Parchment paper
- Storage container
- Baking sheet

Step 1

Add the rocks into the plastic bag along with a few drops of each paint. Make sure the bag has been resealed once you are done!

Step 2

Mix the rocks around and make sure the color gets evenly distributed. While mixing, take note of the different textures that are being felt

Step 3

Once the sensory activity is over, pour the rocks onto the baking sheet lined with wax paper and leave them to dry!
